

The Kent & Canterbury Club

WELCOME

An Introduction for New and Potential Members.

We are both delighted that you are considering membership of the Kent & Canterbury Club.

We have an exclusive membership of just under 200, including many leading and influential people in the medical, farming, legal and business communities in and around the beautiful and historic City of Canterbury.

We pride ourselves on a magnificent Georgian building, situated just outside the City Walls having extremely useful car parking within easy walking distance of the City Centre.

Our club's origins go back 130 years and we have occupied 'The Elms' since the 1920's. The building has been maintained to a very high standard.

Our principal aim is to provide members and their guests with a relaxing, convivial atmosphere in which to meet others and enjoy a variety of facilities. We also offer private facilities for business meetings, seminars, lectures and celebratory functions.

We have attempted to give you an overview of the history and activities of the club and a flavour of the ethos we attempt to maintain for the enjoyment of members.

You would be more than welcome to visit the club and we can assure you that you will find a warm and friendly reception from all our members and staff.

Yours sincerely,

Mark Rosen
